

SPEAKER MOUNT BRACKET

SP-201

■ DESCRIPTION

The SP-201 Speaker mounting bracket is used to mount a horn speaker to a wall. It can also mount the speaker on a $\emptyset 200-\emptyset 340$ mm ($\emptyset 7.9"-\emptyset 13.4"$) pole in conjunction with the optional YS-60B.

Note: For added safety, reinforce mounting brackets and mounting bands when installing a speaker in a location that will be exposed to significant vibration and/or strong wind. It is also recommended that the installed speaker, mounting brackets, and mounting bands be checked periodically to assess potentially dangerous excessive wear and/or loose connections.

■ SPECIFICATIONS

Load Capacity	10 kg (22 lb)
Finish	Bracket: Stainless Steel
	Screw: Stainless Steel
Weight	610 g (1.34 lb) (bracket only)
Product Composition	Mounting bracket …1,
·	Mounting screw (M10 × 25 bolt set, M8 ×20 bolt set) —each 1 set
